West Coast Championship Competition Rules Standard

The terms and conditions presented in this document apply between West Coast Championship and those persons registering for and participating in West Coast Championship competitive Events.

The pronouns “he,” “him,” “himself,” and “his” herein are used as generic, gender-neutral terms and do not restrict or confirm access on the basis of sex.

1. West Coast Championship Competition Rules Standard (this document) cover about 90% of the terms, conditions, and standards common to all West Coast Championship Events.
2. Together, these two documents comprise the West Coast Championship **Competition Rules**. As a condition of participation in any West Coast Championship Competition, the participating angler (“Competitor”) agrees to read, understand, and comply with all West Coast Championship Competition Rules. Failure to comply will result in penalty, which may range from points deductions to submission denial or disqualification.

For each Event, the Tournament Director (“TD”) will be identified in the West Coast Championship Event Rules Addendum. He has responsibility for interpretation and enforcement of the West Coast Championship Competition Rules and may amplify or clarify them to make them more relevant or complete. Tournament Director decisions may be disputed, as described in Section 17.A. West Coast Championship management will review the TD’s action and revise the West Coast Championship Competition Rules appropriately. Such revisions will be summarized in a Revisions Log (above) and highlighted in red in the body of the rules standards. Announcement of the rule changes will also be posted fifteen (15) days prior to implementation in the West Coast Championship Facebook group.

1. Participation and Eligibility

A. KBF Membership

i, Unless otherwise exempted in KBF Event Rules Addenda, to participate in West Coast Championship Member-only Tournaments, each Competitor must be an active free KBF Member by 11:59 p.m. on the day before start-of-competition. These include but are not limited to West Coast Championship Events.

Non-members who register and compete in West Coast Championship Members-only Events are not eligible for prizes, ranking, and rewards.

ii. If not specified as “West Coast Championship Member-only” participation in any West Coast Championship Event is open to both West Coast Championship Members and non-members who meet all other eligibility requirements laid out in the West Coast Championship Competition Rules Addendum.

A. Professional Fishing Guides may register and compete in Events providing they do not guide-for-pay on Eligible Water within 30 days prior to the Event’s start-of-competition date.

B. Event Registration — All West Coast Championship Competitions are conducted using a Tournament Management System (“TMS”). Each angler who wishes to participate in such an Event must create a TMS user account before the first day of competition and must sign up for the Event and pay the entry fee on the TMS.

C. Entry Fees — Entry Fee amounts, administrative surcharges, registration deadlines, late fee exceptions, and refund or transfer restrictions are specified in the West Coast Championship Event Rules Addendum for each Competition.

No Satisfaction Guarantee — Competitor understands and agrees that payment for the Event does not secure a guarantee or promise of satisfaction.

Competitor’s failure or inability, for any reason except as otherwise provided herein, to participate in any or all of the activities of the Event does not relieve or suspend the Competitor’s obligation to make all payments required by West Coast Championship Rules on a timely basis, nor entitle the Customer to a refund or credit, except as provided below.

D. Payment — Competitor agrees that once an Event Registration is submitted, the terms and conditions of the West Coast Championship Competition Rules constitute an Agreement that is a legally binding and enforceable obligation of Competitor.

E. Competitor’s Right to Cancel — Any competitor wishing to cancel an Event Registration may do so by emailing the Tournament Director at the email address provided in the West Coast Championship Event Rules Addendum.

Unless otherwise specified in the Event Rules Addendum, registration cancellations dated more than 15 days prior to the Event incur no administrative fee, and any registration cancellation dated 15 days or fewer before the Event shall result in an administrative fee equal to the lesser of \$25

Once an Event has started, no cancellations will be accepted and no refunds will be provided. West Coast Championship is not responsible for any refunds of expenses related to travel or lodging reservations or other payments involving third parties.

F. Pre-Tournament Check-in — Each Tournament Competitor is responsible for reviewing the Schedule of Events in the West Coast Championship Event Rules Addendum for pre-event check-in times and location. Each Competitor must check in with official West Coast Championship Competition staff at the time and place designated in the Schedules of Event for verification of eligibility, signing of waivers if required, and rules acknowledgment.

Late check-in and registration process (if permitted), event-specific instructions, and Event schedule are specified in the West Coast Championship Event Rules Addendum.

(Refer to Rule 6 regarding pre-fishing with a professional fishing guide.)

4.A there is a 2 week of limits from pre-fishing on the body of water from any power boats- Bass boats,ski boats pontoon-style boats. 5. Competition Area

- A. Competitive fishing is allowed only on publicly-accessible waters within the geographic area designated by the West Coast Championship *Event Rules Addendum* as "Eligible Water ." Violation will result in disqualification from the Event.
- B. Competitors may launch from any public-access shore directly onto Eligible Water or may launch and then paddle or portage to Eligible Water. Crossing restricted property to reach Eligible Water is not

permitted. Tributaries, canals, sloughs or estuaries separated from the rest of eligible water by temporary obstructions (e.g., fallen trees, log jams, beaver dams) that, if removed, could be entered by floating/paddling are considered eligible waters in which competition is permitted, and competitors are permitted to drag or portage watercraft over or around such obstructions. Those separated by obstructions of a permanent nature (e.g., levees, earthen or concrete dams, berms, roadbeds, spillways, waterfalls) are ineligible water, and competition in such areas is prohibited. Violation will result in disqualification from the Event.

Violation will result in disqualification from the Event.

6. Cooperation and Assistance

- A. Up until the end of the established pre-fishing period, competitors may fish with and receive direct assistance from other anglers and professional guides on the Eligible Water, except as restricted in Rule 6.B., below.
- B. Within 30 days prior to the Event, a Competitor may not fish on Eligible Water with, nor receive expert advice from, a professional fishing guide who receives payment for those services. Violation will result in Competitor's disqualification from the Event.
- C. Before and during the event, competitors may (i.) share gear, tackle and equipment, (ii.) assist in photographing a fish for submission, and (iii.) communicate with and fish in proximity to other people, including other Competitors (except Professional Fishing Guides, as stipulated in Rule 6.B., above); however, then may not receive assistance in catching fish, including boat positioning, casting, retrieving, hooking, playing, or landing a fish. Violation will result in Competitor's disqualification from the Event.

7. Fishing Tackle, Equipment, and Methods

- A. All fish must be caught live, the Competitor using only equipment and legal methods that comply with all sport fishing statutes and regulations of the states and body of water in which they are taken. Competitors are responsible for research of and compliance with all applicable fishing and boating regulations. Snatching or snagging fish is not permitted. When visually fishing a bed for spawning bass, to be admissible all bass must be hooked inside the mouth. Violation will result in disqualification from the Event.

- C. Acceptable measuring boards include the *Ketch Co Measuring Board*. Measuring boards may be shortened by removing inches from the upper end (opposite the fence) For example, one may cut a measuring board off at the 26 inch mark in order to fit cross ways between a watercraft's gunwales. However, it may not be broken, snapped, or cut apart and then reassembled at any point between the two ends. A crack that does not separate the measuring board into pieces and does not affect the

measuring board's accuracy may be repaired and reinforced for use. Violation will result in denial of photo.

C.1 Any other modifications or board tampering will result in a disqualification from the event and the series for the time of at least a minimum of 1 year. Trying to bend or push on the board to gain inches will result in the same results.

D. Competitors may share measuring boards.

E. A break of the measuring board's fence may be mended for use if the repair is rigid, flat and at a right angle to the measuring surface. The mended measuring board must be submitted to the Tournament Director, personally or by two or more emailed photographs that clearly show (i.) the mended area and (ii.) a side view of the measuring surface and the fence. Violation will result in denial of photo.

F. Each competitor must use a mobile phone with camera capable of producing still photos. When a Competitor's smart phone becomes inoperable or is lost, he may share smart phones with other Competitors, provided each Competitor logs into his own TMS account in order to submit photos of fish he caught. provided each Competitor can clearly and positively identify photos of the fish he caught. Violation will result in denial of photo.

G. Only artificial lures and biodegradable artificial lures may be used. No live bait, preserved bait, or prepared bait will be permitted during competition, with the exception of pork strips or rinds. Violation will result in disqualification from the Event.

H. Only ONE casting, spin-casting, spinning, or fly rod and reel may be in use at any one time. A rod and reel is considered to be "in use" when a lure attached to it by a line is in or on the water. A hung lure (one snagged in an overhanging tree) that is not in or on the water is not considered in use and the attached rod and reel may be set aside while another is in use.

I. Nets and grippers (e.g., Fish Grip, Boga-Grip) may be used for landing fish during tournament competition, but grippers must not remain attached to the fish in photos. Violation will result in denial or disqualification of the photo.

J. If a Competitor breaks his line while setting the hook or retrieving a fish, he is allowed to make an attempt with the rod being used or by hand to secure the line and land the fish to be counted as legal. He may NOT hook the line with another lure, rod and reel, or other device. If a Competitor loses his rod and reel while landing a fish he MAY use another rod and reel to retrieve the lost outfit. If after retrieval, the fish is still hooked, it may be landed, photographed, and submitted as a legal fish. Violation will result in disqualification from the Event.

8. Watercraft & Propulsion

A. Watercraft acceptable for use in Competition are:

- i. Small, narrow, single-hull watercraft not exceeding 44 inches in hull width and 17 feet in hull length, or 18 feet in combined hull length plus attachments, and...

Use of watercraft in competition other than those listed above as acceptable or exceptions will result in disqualification from the Event.

- B. Watercraft propulsion is restricted to paddle, pedal, pole, or electric motor.
- C. Unless specifically prohibited in the West Coast Championship Event Rules Addendum, use of a single electric propulsion unit per watercraft in West Coast Championship-sanctioned competition is approved with the following restrictions:

 - a. must be attached to the kayak in a safe manner for operation, and
 - b. may not exceed the lesser of (a.) manufacturer's labeled Maximum HP/Thrust Capacity, (b.) 3 HP, or (c.) 155 foot-pound thrust. Violation of either condition will result in disqualification from the Event.
- D. Towing, transport or relocation assistance from another watercraft, including "mothershipping," is NOT permitted except in cases of emergency, as when pulling a kayak from a danger zone or restricted area. Once the emergency has ended, the Competitor may resume fishing only if the watercraft was pulled no more than 100 yards from the danger zone. Violation will result in disqualification from the Event.
- E. Trolling (i.e., lure(s) attached to a single rod and towed behind a watercraft while underway) is not permitted in West Coast Championship Competition.

9. Photo Standards - Digital photographs of each fish submitted to judges for scoring must meet these criteria:

- B. *Unique*—Each digital photo submitted by the same Competitor in each Event must be of a different fish. Subsequent digital photos of the same fish submitted by the Competitor in an Event will be denied.
- C. *Visible/Legible*—Each photo must be in sharply focused and clear enough for a judge to:
 - d. Verify the correct Identifier Form and Event ID Code. Inability of the judge to verify will result in denial of photo.
 - e. Verify the fish's condition. Violation will result in denial of photo.
 - f. Verify the fish's length. Judge will score fish at the greatest length of which he is certain.
 - g. Verify whether the bass' jaw or lip, is in contact with the measuring board fence. Inability of the judge to verify will result in a penalty of 1 inch.
 - h. Except where covered by hand or fingers, the entire fish, from its mouth/jaw to the tip of its caudal (tail) fin, must be visible in photos. If either end is covered or cropped off, the photo will be denied.
- D. *Centered*—Camera lens positioned directly over the center of the fish's body, which contributes to accurate measurement by judges. Photos taken at a low angle in order obscure an open mouth may be denied or penalized at the Tournament Director's discretion.

- E. *First-generation*—Each digital photo must be a first-generation image (not a photo or screen-shot of another photo). Violation will result in denial of photo.

Photos submitted for scoring that, in judges' opinions, contain evidence of a possible disqualifying infraction—including photos that appear to have been cropped or modified (e.g, image enhanced or filtered) in such a way as to obscure infractions—will be accepted with a score of 0.01" and a note indicating the nature of the infraction is emailed to the Competitor. The Tournament or Series Director will review all such photos and will make any disqualification ruling. The Director may also contact Competitors to request submission of original un-cropped, un-filtered photos for further review and verification. Failure by Competitors to respond or refusal to submit the original photo will result in denial of the photo.

- F. *Identifiable*—Official West Coast Championship Identifier Form above, below, or beside that fish (not covering any portion of the fish, unless attached to the Competitor's hand or arm). Neither a hand-drawn form nor an image of the West Coast Championship Identifier Form on a smart phone are permissible. Violation will result in denial of photo.

- G. *Background* - Competitor's watercraft clearly visible in the photograph. Violation will result in denial of photo.

- H. *Hand Position*.

- i. In bass competition, hand or finger(s) may be in contact with the BODY ONLY! The hand may not go past the anal fin but may cover the gill flap as long as the eye is not covered. You are not allowed to be touching any portion of the tail. Violation will result in a 1-inch deduction in score. .
- j. No portion of a hand or finger may be under the fish's operculum (hard gill flap). Violation will result in denial of photo.

- I. *Mouth*

- k. Bass' lip or jaw must be in contact with measuring board fence (bump board, upright), and the fence must be visible in the photo. Violation will result in denial of photo.
- l. In bass fishing competition, a closed mouth is preferred for uniformity of measurement. If judge considers the mouth to be open, even if it is structurally unable to close, a one-inch penalty will be assessed.

- J. *Not "In-possession."* In most states, though not all, unless a fish is secured by a restraint device or is placed in a holding container, state regulatory agencies do not consider it to be "in possession" by Competitors, so states' minimum length regulations do not apply for photo submissions. If Event takes place in a state where photographing a fish constitutes "possession," and a photo is submitted of a fish that does not comply with state size limits, the photo will be denied. (Refer to regulatory compliance, Rule 7.A.)

10: Scoring

- A. Fish length is determined by its caudal fin (tail fin) touching or crossing the quarter-inch ridge/line on the measuring board. If it falls short of a 1/4-inch mark, the length is rounded down to the next lower 1/4-inch mark that the bass' caudal fin actually touches or crosses.
- B. If any portion of a fish's caudal (tail) fin extends off the measuring board, the score will be determined by the highest 1/4-inch measurement reached or crossed by the portion of caudal fin on the Measuring Board. Any portion of the caudal fin extending off the Measuring Board is not considered in scoring.
- C. Tournament ranking, contingency awards, Angler of the Year Points shall be determined by the aggregate length of each Competitor's photos remaining on the Leader Board when judging has concluded and the Dispute Period has closed. Unless otherwise stipulated in the West Coast Championship Event Rules Addendum:

- i. In one-day tournaments the scores of the five longest fish on the Leader Board when judging is complete will be combined to determine the aggregate score.
 - ii. In two-day tournaments, the scores of the five longest fish of Day 1 and the five longest fish on Day 2 on the Leader Board when judging is complete will be combined to determine the aggregate score.
- D. If a Competitor's photo is denied by a judge after end-of-competition, it may be automatically replaced by a previously submitted and auto-culled photo; however, no Competitor may submit a replacement photo after end-of-competition time.
- E. In the event of a tie in score, the tied competitors' longest (highest-scored) fish are compared, and the tie breaks in favor of the competitor with the longest (highest-scoring) fish. If the longest fish are equal, the second-longest fish are compared and determine which competitor wins the tie. If the second-longest are identical, the process repeats for each of the remaining fish. If all of the tied competitors' highest scoring fish are identical, then the tie breaks in favor of the competitor whose last Leader Board photo was uploaded earliest.
- F. West Coast Championship judges apply the following scoring criteria to adjust measurements, approve or deny photos, and to penalize photos by deducting points (length) or disqualifying a Competitor.

The findings will be published on a invite only West Coast Championship tournament anglers facebook page.
- C. Competitor acknowledges that (i.) the use of polygraph tests may be necessary to verify compliance with rules and to settle disputes and (ii.) entry constitutes acceptance of this requirement and agreement to abide by its conclusion. Refusal by a Competitor to submit to a polygraph test is grounds for immediate disqualification from the West Coast Championship Event and prohibition against future participation in any KBF-affiliated Event. Results of a polygraph test will not be the sole determining factor in a West Coast Championship Management Review of a Competitor's eligibility for awards and qualification for future participation but may be one of several factors considered in such review.

B. Prizes will be processed after all photos submitted for scoring have been judged, the results reviewed by a separate panel, and disputes have been resolved.

C. Product prizes (e.g. kayaks, paddles, propulsion units) may require additional processing or delivery time. This allows competitors some flexibility in selection of model, color or style. Product selection may be limited to specific features and models.

13. **Taxes** — Competitors are responsible for all applicable taxes on both cash and merchandise awards. Failure to meet those obligations may result in disqualification from all future West Coast Championship events. All prize recipients whose cumulative total for the year adds up to \$600 or more must fill out and turn in an IRS Form W-9 including name, address, social security number, signature and date. These are used to prepare IRS 1099 forms for distribution in January.

14. **Sale of Prizes** — No prizes won participating in West Coast Championship Events may be advertised or promoted for sale on West Coast Championship Facebook pages for a period of one full year. Violation of this rule will result in ineligibility for all future events and forfeiture of qualification status.

15. Safety

A. During competition, every Competitor must have all required Coast Guard safety equipment, (e.g., light source, whistle or other audible signal device, Coast Guard-approved chest-type life preserver [PFD]). See www.uscgboating.org/.

B. *PFD Usage* — At all times, except as described below (Rule 15.C. PFD Wear Exception) while on the water during competition hours, Competitors must wear either an inherent-flotation or inflatable USCG-certified PFD, either vest-style or float jacket. A belt-style PFD, even one that deploys as a vest, is not permitted during Competition. The PFD must be properly positioned and adjusted to conform with USGC and manufacturers' instructions. When an infraction, as described above, is verified by the Tournament Director, the competitor is disqualified from participation in the event.

- iii. Weather and water conditions permit one to do so safely; and
- iv. Competitor is over the age of 12.

When finished changing his attire, Competitor must immediately put the PFD back on before resuming navigation, fishing, or any other competition-related activity.

D. The Tournament Director has the right to postpone or cancel the start of an official tournament day because of bad weather or other factors that would jeopardize Competitors' safety. Tournament waters may also be restricted at any time because of bad weather.

E. In the event of weather emergencies that pose an imminent threat to Competitors, the Tournament Director may terminate Competition before the scheduled end-of-competition time. An Early Termination Announcement with an adjusted end-of-competition time will be broadcast to Competitors via email and group text messaging and will also be posted on the TMS site and social media sites. The Announcement will also specify an adjusted report-in time and location. If safe to do so, upon receiving the Announcement, Competitor should make his way to the specified location at that time.

Competitor is required to stop fishing as soon as he receives the Early Termination Announcement. No photos of fish caught after the adjusted end-of-competition time may be submitted for scoring; however, to accommodate those seeking shelter immediately, Competitor has up to 15 minutes after the Adjusted End Time to submit a photo of any bass caught before the adjusted end-of-competition time/photo submission deadline.

F. In the event of an emergency situation, Competitor should call 911 first and then notify tournament officials as soon as possible.

G. Use of alcohol or drugs (other than those purchased over-the-counter or prescribed by a licensed physician) by any Competitor during an Event will not be tolerated and will be cause for automatic disqualification from this and all future West Coast Championship tournaments. No alcoholic beverages or other non-prescription stimulants or depressants shall be allowed in watercraft during competition days. Chemical substance addiction or abuse, conviction of a felony or other crimes involving moral turpitude, or other conduct reflecting unfavorably upon efforts to promote safety, sportsmanship, fair competition and compliance with tournament rules, shall be grounds for rejecting any application for participation and/or for disqualification after circumstances are reviewed by the West Coast Championship Director of Operations. Any disqualification, suspension from, or other disciplinary action regarding any tournament or fishing organization, shall be grounds for rejecting any application for participation in a West Coast Championship tournament, and/or disqualification from a West Coast Championship tournament, after circumstances are reviewed by the West Coast Championship Director of Operations.

H. **Night Tournaments** that take place between April 1 and September 30, in which boats leave or return after 10:30 P.M., must comply with the following six stipulations in order for the event(s) to be eligible for Event Liability Insurance coverage provided through the North American Tournament Association's policy.

- i. Night fishing or low light launches All participant boats must be equipped with working Coast Guard approved running lights. Running lights must remain on *in accordance with the governing state regulations*. Competitor Conduct — Competitors participating in any West Coast Championship sanctioned event must observe the applicable rules for the specific event in which they are participating and must conduct themselves at all times in a manner that reflects favorably on the sport of kayak bass fishing, West Coast Championship, its members, officers or representatives, tournaments or sponsors. Competitors are expected to follow high standards of sportsmanship, courtesy, integrity, safety and conservation in support of the sport of kayak bass fishing, especially when in the vicinity of non-Competitors who may be on or beside Eligible Water. Any Competitor who violates these principles or behaves in ways that reflect unfavorably upon West Coast Championship efforts to promote fisheries conservation, clean waters and courtesy, may forfeit tournament winnings, face suspension from future West Coast Championship sanctioned events, be permanently banned from competition, or any combination thereof deemed appropriate by West Coast Championship.

17. Disputes and Appeals

- A. If a Competitor wishes to dispute a rules violation penalty, a judge's scoring decision, a Tournament Director's decision or other action that materially affected the Competitor's ranking or prize eligibility, he must email/call or text a dispute with the Tournament Director within 24 hours (one full day) following completion of Event judging. The dispute must include the following:
- i. Event title, location, and date
 - ii. Description or identification of penalty imposed, or condition being disputed
 - iii. Reference to pertinent rule
 - iv. Reason for dispute and requested action

Except for situations involving fraud or other law violation, any disputes submitted after the 24-hour dispute deadline will be reviewed without affecting the outcome of an event. No change in rank or reward will result from disputes submitted after the deadline. Only Competitors in the Event where the disputed action occurred may submit disputes. Disputes must be handled privately. All parties directly involved will be provided a copy of the dispute. The Tournament Director will review the Competitor's claims, thoroughly investigate the disputed decision, and issue a ruling.

B. The Competitor who filed the dispute may appeal the Tournament Director's ruling. If the Director of Operations rules in the Competitor's favor and reverses or nullifies the ruling, then the entire Appeal Processing Fee will be refunded; however, if the ruling stands, then the Fee is forfeited.

18. Public Comments

A. The favorable public reputation of West Coast Championship as a sanctioning organization in the sport of kayak bass fishing, the integrity of its officials, and the reputation of its media channels are valuable assets and tangible benefits for West Coast Championship. Accordingly, it is an obligation of Competitors to refrain from comments in public forums and social media or to the news media that unreasonably attack or disparage the integrity of Kayak Bass Fishing tournaments, tournament officials, sponsors, fellow members, fellow Competitors or the West Coast Championship organization. Competitors are encouraged to express themselves and have the right to question the rules officials. Responsible expressions of legitimate disagreement with West Coast Championship policies are encouraged, as opposed to attacks

upon the integrity of the rules or officials. However, public comments that a Competitor knows, or should reasonably know, will harm the reputation of West Coast Championship, West Coast Championship officials, West Coast Championship members or sponsors, may result in disciplinary action.

B. Sponsor contributions will not be devalued by disputes or disagreements in public forums or social media platforms.

C. Publicly disputing any judgment decisions by a Tournament Director, West Coast Championship Director of Operations or judges will result in participants receiving one warning followed by disciplinary action up to permanent disqualification for repeated offenses. Any public dispute of final rulings, ongoing determination by judges or judging panel is grounds for immediate disqualification from the current Event and termination of any eligibility for future Events, even if previously qualified. This provision is not intended to discourage legitimate disputes but to ensure that a fair and unbiased approach is used and the approved challenge and appeals processes are followed in determining the best possible outcome.

19. This Agreement constitutes the entire Agreement between the parties and supersedes all prior agreements between the parties, whether written or oral. The invalidity or unenforceability of any provision hereof shall not affect the validity or enforceability of any other provision. The waiver of any breach shall not constitute a waiver of any subsequent breach.
